

“Drive for the Cure Golf Classic” **2010 Edition – 10th Anniversary**

Presented and hosted by Dan Klimas

You are personally and cordially invited to participate and support our annual “Drive for the Cure Golf Classic”. This will be the 10th Anniversary of the event and will include many special features that are sure to be memorable for all sponsors and participants. You will enjoy a good day of fun with friends, family or colleagues, while raising funds that will benefit research into finding a breakthrough for the disease of cancer. This year’s event will benefit the Lymphoma Research Fund at the RVH, part of the MUHC. Many of you have indirectly through family members, friends, and colleagues or directly like me, been affected by a form of the disease. This is a chance for us to give back with the hope of finding a breakthrough that will lead to a cure. The **10th Edition** of the event will take place one week prior to the 2010 PGA Champions Tour event which is also being held at the exclusive:

“Le Fontainebleau Golf Club”

Registration & Sponsorship Information

In addition to your registration, I also encourage you and or your firm to help in the funding of this event by choosing one of the following sponsorship/donation options. The individual participant fees cover the majority but not all of the direct cost of the day’s events and it is the sponsorship funds that cover the balance and forms a large portion that is donated towards **“Research into Cancer”**. This year there are once again 3 options for sponsoring a portion of the event that we ask you to consider.

- | | |
|--|-----------------|
| 1) Sponsor of a Hole on the course | \$425.00 |
| 2) Sponsor a Contest - closest to the pin / longest drive | \$500.00 |
| 3) Sponsor part of the food, meals or refreshments | \$600.00 |

Our tradition and commitment will continue to allow us to keep the format of the event informal and personal so that we can enjoy the day while at the same time make a contribution to a cause that can hopefully help out someone close to each of us. I urge you to consider both options of participating to help us make this another successful event.

Due to the limited amount of spaces available and our previous record of selling out, registrations will be accepted on a first come first paid basis up to the maximum allowable players, so to avoid disappointment, I encourage you to register early by sending your fees for the participant(s) and sponsorship category as soon as possible. Please fill out the attached registration and sponsorship form and return along with your payment as soon as possible but no later than the **May 1, 2010 deadline**.
