ASSOCIATION DES PROPRIÉTAIRES DE CHIENS DE DEUX-MONTAGNES
DOG OWNERS ASSOCIATION OF DEUX-MONTAGNES

THIS JUST IN: THE DOG PARK WILL FINALLY BE OPENED JUNE 6TH!

Rocky enjoying the outdoors. Ah sweet spring!

The Dog Owners' Association of Deux-Montagnes is pleased to be the first to announce to its members that the dog park will finally be opened—in a matter of days! The big day is June 6 at 12:30pm, immediately following the end of the expert dog trainer presentation (see item below).

Anne (our President) learned this news a few hours ago from the lips of city councillor for the Du Lac district, Mario St-Charles.

Read local newspapers to find out more about the details of the opening ceremony, which is being organized by the Mayor's office.

Be there! June 6th at 12:30pm at the dog park beside the Larry Cool water treatment plant, corner boul. du Lac and 15e avenue). Parking is available.

PAWS FOR THOUGHT

As of July 1st, Deux-Montagnes retailers will no longer be bagging our purchases in plastic. We will therefore have to think of bringing our own along when going shopping. This should not be an issue with dog owners as we already foresee a bag for picking up our dog's droppings every time we go out the door for a walk. Some people have worried out loud that dog owners may use the new City's new by-law as an excuse for not having any bags to bring along on their strolls with doggy. Our Association's mission being to promote good citizenship among its members, we are confident that dog owners will gladly purchase bags at places like the Dollar Store.

EXPERT DOG TRAINER PRESENTATION

Here's an event you won't want to miss: expert dog trainer Patrick Pacheco's presentation on managing your dog. Mr. Pacheco is a trained professional with more than 12 years experience working with dogs and their owners. His passion for communicating dog training basics will make you want to become a better dog person!

Bring along your issues and questions and Patrick will gladly and competently answer them.

Free for members and \$5 for non-members. Annual membership fee: \$5.

June 6th, 9am, Deux-Montagnes Municipal Library building, rear entrance.

OUT AND ABOUT

Thinking of going camping this summer? There are lots of places which allow dogs. Here are two websites to help you find the camping site for you: www.guidecamping.ca/indexeng.shtml where you can search by criteria, and <http://www.sepaq.com/index-en.html> follow the « Pets » link on the right of the page.

STILL LOOKING FOR A NAME FOR THE NEWSLETTER

Dear everyone, we've received a few excellent suggestions, but we thought we'd make the fun last by inviting you to continue submitting ideas for the name of this newsletter at: chiensdm@gmail.com.
