We will open a permanent residence for intellectually challenged adults in the area of Deux Montagnes

~ September 2010.

Our Mission

- ◆ We are dedicated to establish and maintain a safe, family-like, permanent residence for intellectually challenged adults.
- ◆ We will support them and insure their ongoing development and autonomy within their local community.

Our Values

- ◆ a milieu where intellectually challenged persons can live in FREEDOM AND DIGNITY,
- ◆ staff who can understand the VULNERABILITY of the residents and respond to their needs,
- ◆ a policy of OPENNESS to family members,
- ◆ a climate of MUTUAL RESPECT, where the need for privacy is honored,
- ◆ encouragement of AUTONOMY,
- ◆ supervision that will ensure SAFETY and a sense of harmony.

Our intellectually challenged adults are getting their own place.

You can make a difference.
Help them face the challenge!
